

Certificate

PricewaterhouseCoopers LLP has assessed whether the quality management system at

Nexii Building Solutions Inc. Squamish Facility

200 - 1455 W Georgia Street, Vancouver, British Columbia, V6G 2T3, Canada

meets the requirements of the standard noted below (the Requirements).

ISO 9001:2015 Quality Management System Standard

Scope of Certification

Manufacture of insulated core panels for buildings out of Nexii's Squamish, BC fabrication facility.

Management is responsible for ensuring the management system meets the Requirements. Our responsibility is limited to assessing whether management has demonstrated that the Requirements were met. Our assessment was conducted in accordance with ISO 17021 management systems assessment standard and, accordingly, included examining, on a sample basis, evidence supporting management's assertion that the Requirements were met.

A description of our responsibilities for the assessment of the management system is located at www.pwc.com/ca/certificate. The ISO standards can be found at www.iso.org.

Based on our assessment, the management system met the Requirements, in all material respects, as of 1 March 2023.

The validity of this certificate is subject to satisfactory annual maintenance assessments.
